Skamania PUD #1 COVID-19 Customer Support Programs

The following programs are available to Skamania PUD customers who need assistance paying their PUD bills due to economic hardship as the result of the COVID-19 pandemic. Skamania PUD requests customers with overdue bills to contact their customer service representatives for assistance at 509-427-5126.

COVID-19 Hardship Assistance Program

The PUD made an initial contribution in the amount of \$10,000 to the Hardship Assistance Program. In addition, it matches all private donations received up to \$25,000. With the support of our generous community, the PUD hopes to fully fund the program and significantly help those who have been impacted by the pandemic. All proceeds directly benefit the customers who qualify for relief through the Hardship Assistance program.

To be eligible for the program, customers complete an application and demonstrate proof of hardship and income.

Please call the office at 509-427-5126 with questions or to request a copy of the application via US postal mail.

Skamania PUD customers are eligible to apply for ongoing energy assistance programs administered by Washington Gorge Action Programs (WGAP).
